# TEA

**Supreme Earl Grey** - Earl Grey is the most famous and distinctively scented tea. Teadrop's Supreme Earl Grey has a base of the world's finest black tea scented with natural bergamot, citrus peel and marigold flowers, all elegantly balanced to live up to its name.

**Malabar Chai** - Variations of aromatic, spiced, milky tea have been the Indian drink of choice for hundreds of years. We've blended rich, malty Assam tea with exotic cardamom pods, cinnamon, ginger and vanilla to develop our own blend of this delicious, satisfying and yummy beverage. Malabar chai encapsulates all the colour and vibrancy of India in a cup.

**Spring Green** - Our Spring Green is made in a uniquely gentle way. The tender tea shoots are plucked, steamed for two minutes, then rolled softly and steam-dried - preserving their goodness, and keeping the flavour light and fresh with no bitterness.

**Honeydew Green** - A lush, pure green tea with summery notes of actual Honeydew pieces and natural apricot flavour provides a refreshing taste and the sweet aroma of the summer seasons.

**Chamomile Blossom** - Chamomile is appreciated by many for its soothing taste and delicate aroma. This naturally-decaffeinated hearty offering is made to relax and rejuvenate. We buy organically-grown chamomile for the best purity and flavour.

**Lemongrass and Ginger** - Naturally caffeine-free, this is an exclusive blend of rosehips, lemongrass, hibiscus blossoms and ginger. Feel invigorated with its citrusy overtones and subtle spicy finish.

**Peppermint** - Teadrop's Peppermint Tisane is made from mint leaves bursting with pure essential oils, which create an invigorating aroma and deliver a refreshing mint infusion. Traditionally used to aid digestion, this tisane can be enjoyed at any time of the day.

**Fruits of Eden** - Ruby pink, with the tartness of rosehip and sweet surprise of hibiscus petals. An indulgent earthly delight for the afternoon or dessert.
